

# HARLEM WIZARDS ASSEMBLY PROGRAM

Amazing Eye-Popping, Active Entertainment That Goes Beyond Basketball

## WHY BRING THE HARLEM WIZARDS FOR MY SCHOOL ASSEMBLY?

Your students jump with joy, laugh and ooh and aah with our INTERACTIVE show. The Wizards are fantastic role models who entertain and educate. They are great athletes who are approachable, compassionate, enthusiastic and bond in an incredible way with the kids. The Wizards deliver a character message in every show from our acronym **WizFit: Wellness, Imagination, Zero Hate, Fun, Inspiration & Teamwork.**

## WHAT WILL YOU DO?

The Harlem Wizards Assembly is approximately 45 minutes. There will be fun-filled comedic skits, ball-handling tricks and Wizardry. On top of that this is a full participation assembly that includes active movement and engagement available to all the kids. From tricks, fun fitness, and dancing.

## WHERE IS THE SHOW?

Typically, we perform the show in your school's gym (half-court with kids on the floor, or your black top). We can work out something in almost all environments! We even have an amazing virtual show if you prefer. Please consult your sales rep.

The Harlem Wizards have been dazzling audiences since 1962 with the same family at the helm since the beginning and have played games all over the world.

We have standard 1 Wizard and 2 Wizard Rates. For bigger shows we can add an MC/DJ and more.

## MORE ABOUT WIZFIT

Besides the kickoff and Celebration assembly, this is what you can expect:

### KIDS TAKE THE WIZFIT CHALLENGE -

Students watch and participate in an exclusive series of six interactive video episodes led by Harlem Wizards stars, where they will get to learn tricks, have fun, and be coached on character by the Wizards (for PE class or at home).

**COST IS MODEST** - Total cost for the program is \$2,000, and that is inclusive of up to \$500 in travel/hotel costs. This is much lower than our normal assembly fee(s), which would be about \$5,500 without the WizFit Challenge.

### CUSTOM TECHNOLOGY FOR SHARING

**& DONATIONS** - We provide an easy-to-use custom platform that families can use to register their child, share with family and friends, and win prizes along the way. Every student wins a prize for registering and a medal when they complete the six-workout challenge. Students can also win up to six additional prizes by fundraising.

**PRIZES ARE AMAZING** - Kids love Wizards prizes: basketballs, jerseys, light-up bracelets, medals, baseball caps, and water bottles.
